

# Here there be Dragons (and Ogres, and witches...)

A magical journey into the imagination with stories of wizards and witches and dragons and ogres, heroes and heroines and wise fools and foolish wise men. There's never a dull moment as first Bobby, then Sherry, then both tellers take the stage to bring these medieval tales of daring deeds and misdeeds to life!

This program features a wide variety of folktales, fairy tales, myths, legends and literary stories that are just plain FUN!

Programs are tailored to the individual audience, and are suitable for preschool, school-age and family listeners.

Plan now to kick off your summer reading program with a bang!
